

# Smart Power Supply

PSU SM

13.8V/DC 1.5A Universal Power Supply

Battery Back-up

New Zealand Made

Power Failure Monitoring

Dynamic Battery Monitoring

Low Voltage Battery Disconnect

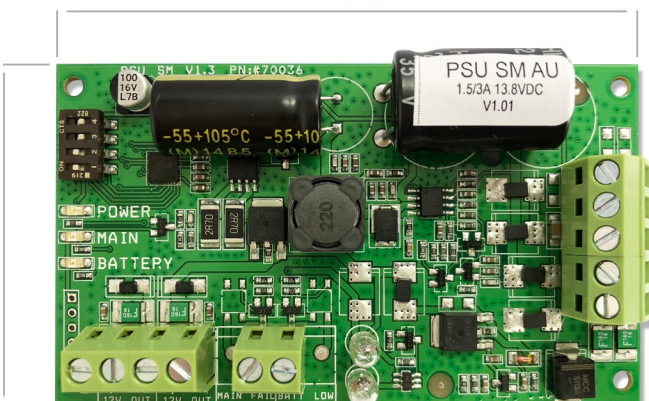

5 Year Warranty

- Output Voltage: 13.8V/DC
- Input Voltage: 15 - 24V/AC or 18 - 27V/DC
- Selectable Current Limit: 1.5A or 3.0A
- Low Voltage Disconnect @ 10.5V
- Self Resetting Fused Outlets 2 x 1.5A PTC
- Battery Charge Current: 250mA or 500mA (Selectable)
- Selectable State for Monitor Outputs (Fail Safe or Fail Secure)
- Mains Monitoring with Open Collector Output and LED Indicator (Selectable Instant or 15min Delay)
- Dynamic Battery Monitoring with Open Collector Output & LED Indicator
